Tributes

TRIBUTE TO HUSBAND

Thank you all for being here today to honor the life of James my husband.

You were my anchor in every storm, my friend, my partner and my greatest blessing.

You worked hard, cared deeply and always put our family first. You leave behind a legacy of love. With you I learnt about patience, you taught the children about kindness, and showed all of us how to live with integrity and a light heart.

Thank you for every single day. Thank you for the love, the family, and the life we built. It was my greatest honor to be your wife.

Rest well my husband, until we meet again.

TRIBUTE TO OUR DAD

It's impossible to sum up a man like our father in just a few minutes. Dad you were our anchor, guide and greatest teacher. Through your words and actions, you showed us the value of hard work, honesty and kindness.

You taught us to be strong yet gentle, ambitious yet humble, and to always put love and family first. You always believed in us even when we doubted ourselves.

Your greatest legacy isn't found in material things; it is found in us. It's in our work ethic, our sense of humor, our loyalty to family, and the way we are trying to raise our own children.

We will continue to honor you every day by living the values you instilled in us.

Rest in peace dad, we will always miss and love you.

TRIBUTE TO OUR GUCA

Guka, you were more than a grandfather to us. You were our storyteller, our teacher, and our friend. You carried wisdom that guided us, love that comforted us, and a strength that inspired us.

We will always remember your discipline—how you rose early every day, and how, earlier in your life, you would ride your bicycle for kilometers to the garden without fail.

You were a man of faith. At St. Anthony Catholic Church, you made sure the altar had flowers and the candles were lit. Even as age slowed you down, you never missed your Thursday jumuia meetings. Your devotion was steady and true.

At home, you had your special seat under the tree, Bible in hand. Calm, observant, and a man of few words—but when you spoke, especially when telling stories, you captured us all. Your laughter warmed our hearts, and your favorite punchline, “nikuganikuga,” will stay with us forever.

We will never forget your gentle care. Whenever we children visited, you cut sugarcane for us, peeling and slicing it so we could enjoy it easily. In those simple acts, you showed your love.

You taught us kindness, hard work, and the beauty of simple joys. Though you are no longer with us, your legacy lives on in the love we share and the values you planted in us.

Rest well, Guka.

We will miss you dearly, but we will never forget you.
